#### **TOUR DESCRIPTION:**

You will be picked up from your hotel or a nearby location as you embark on your journey. The first stop of your adventure is the volcano of Santorini, where you have an opportunity to hike. Guided walking tour on the ascending path to reach the crater of the still-active volcano. The next stop is for you to dive into the "hot springs" created by the underwater powers of the volcano.

Dive into the Aegean Sea, swim near the shores to find green volcanic sulphur waters and experience bathing in warm therapeutic mud. Sailing above the underwater craters from Palia Kameni, heading north to Thirassia Island, the boat will anchor close to the shore, and you will have the time to sip your wine and enjoy dinner (BBQ Greek cuisine) prepared on board.

Watch the sunset under the whitewashed village of Oia, with nothing blocking the magical view that will leave you with lasting memories. The boat sets sail for the shore as the sun dives to the sea. You are transferred back to your hotel.

## **TRAVEL RECOMMENDATION**

### ***FLY FROM SANTORINI TO ATHENS***

For a smoother and more efficient journey, we recommend flying instead of taking a ferry.

#### **Key Considerations:**

- Ferry Duration: Takes 5 hours with no immediate international connections.
- Extra Costs: Likely requires an overnight stay in Athens, adding hotel and transfer expenses.

#### **Why Choose a Flight?**

- Faster: Just 50 minutes instead of a lengthy ferry ride. Overnight stay in Athens and transfer expenses.
- Cost-Effective: Similar in price when factoring in transfers and hotels.
- More Convenient: It avoids delays, overnight stays, and extra logistics.

**We hope this helps ensure a smooth trip!**
